**NEW ICE CREAM SALOON.**  
George the Barber has opened an ice  
cream saloon in the room next door to  
his barber shop. The apartments are  
well and nicely furnished, and the quality  
of the ice cream prepared by George is  
excellent. There are also private apart-  
ments fitted up expressly for ladies and  
gentlemen, where they will be entirely  
removed from the intrusion of those they  
may desire to avoid. George asks a fair  
share of the patronage of ice cream sal-  
loons, promising to treat them courteously  
and give them the best in the market.
